

# **BOWL-A-THON FUNDRAISER**

The resources you donate will go to support Morning Star World Outreach Church and The River Church. The vision of our ministry is to help people discover a deep, intimate, and personal relationship with God. Mankind desperately needs a touch from the loving arms of Jesus. The Lord is raising up a new breed of believers that will be so consumed with the love of God, that many of the social ills and turmoil of man's heart will be transformed in a moment, as the pure river of God's love pours through a generation of believers.
